Order of the Government

The estimates of
receipts and expenditure
for 1895-96 submitted with the letter
are shown in the
following abstract statement

Receipts	Estimate for 1894-95	Estimate for 1895-96	Excess or deficit	Estimate for 1894-95	Estimate for 1895-96
I Fees in colleges & High schools	22 000		I Direction	18 912	19 812

Total Rs	76 417	81 747	Total Rs	5,05 169	4 86 88

(2) Receipts The estimated income includes Rs 350 expected from the Industrial School. It is presumed that the school referred to is one at Ahypone, which is maintained at the cost of L F General. If so, the receipt should be credited to

19 November 1894 to 112 The Inspector General's ^{total} estimate under 1 ^(Rs 81747) is slightly Expenditure

(3) The total estimate of expenditure sanctioned for 1894-95 in Govt Pro dated 12 December 1894 (No 126) amounted to Rs 5,06,169, and including ^{estimated} the items amounting to Rs ^{14,072} ~~10,858~~ since allowed, the authorized charges of recurring and non recurring nature.

But the estimates said to have been based upon the existing scale submitted by the Inspector General of Education ^{aggregate} comes to Rs 485886, ^{which} ~~and the same~~ ^{accordingly} was adopted in the Civil Budget for 1895-96

(4) I Direction As a clerk on Rs 20 was permanently transferred in Govt Pro dated 31st July 1895 to $\frac{17312}{\text{Ed 23}}$ || from the Inspector General of Education to the General Secretariat, the provision ^{direction} under ~~this head~~ will be reduced by Rs 240. It is observed that the correct amount sanctioned in 1894-95 under this head was ~~Rs~~ not Rs 10672 as entered in the Budget statement under ~~Personnel~~ Secretary, but Rs 10972, ~~which~~ including Rs 300 sanctioned for new hands and

(5) II Inspection Under
this head, an increase
of Rs 900 is entered over the
sanctioned estimate for 1894-95

the scale sanctioned in G.O.
dated 23 January 1894, C.O. 27

There ^{is an} increase provided
under this head of Rs 1200
~~excess of~~ ^{over} that sanctioned
in G.O. No. 24 dated 24 October
1894, C.O. 93. This difference
is due to the ^{promotion made for the} ~~increase of the~~ No. 1 of 2 persons
~~having been provided~~ from
6 to 7 Rs each instead of
1 person, as per remarks noted
against the item in the
1st statement. The necessary
~~alterations~~ alterations will be
made

made and the estimate
reduced by Rs 12 It
is observed that the provision
of Rs 732 sanctioned in
1894-95 for new hands
and increases has been
omitted, and consequently
the figure 24,168 is exhibited
as the sanctioned sum,
~~under this head~~ instead
^{which is stated as}
of Rs 25,500, the correct
estimate

(7) Inspection B The
abolition of the appointments
of the Sup^{ts} of Govt Girls
schools, Writers and Peon
having been sanctioned in
Govt Pro dated 31st May, 1895

of Rs 2020 made for them
under this head will ~~amount to~~

According to the scale of
English Colleges and High

July

July 1895 furnished by the Inspector General of Education, the correct provisions for 15 and 20 assistant masters ought to be Rs 7476 and 6048 and not Rs 7428 and 5928 respectively as entered in the above estimates Moreover the pay (Rs 35) of the last assistant master 1st class does not appear to have been correctly entered in the printed list as the ~~lowest~~ ^{of the post} salary is ~~only~~ Rs 30 rising to 50 by annual increments of Rs 4 each and cannot therefore be Rs 35 in any year. The correct figures should therefore be reported for further information. This prevents the proper ~~being~~ ^{being} ~~on~~ ^{on} ~~16~~ ¹⁶ ~~be~~ ^{be} ~~claimed~~ ^{claimed} ~~later~~ ^{later} of

To

The General Secretary to the
Government of Mysore

Sir,

With reference to your no 6938 E16
Ed 1894
dated the 18th December 1895, I have the
honour to forward herewith a memo of ex-
planatory remarks on certain entries in the
State Funds Budget Estimates of the Educa-
tion Department for the current official year

2 I take this opportunity to request that
the additional sum of Rs 200 for House rent
and Rs 300 for Contingent expenses of
Vernacular Schools asked for in para 6
of my memorandum dated the 16th October
1895 may be sanctioned. The Contingent
allowances and House rent in force, in-
clusive of those sanctioned between March
and June 1895 amount respectively to

Yb

Rs 2475 and Rs 3828 a year

3. I further request that the increase of pay from Rs 20 to Rs 25 recommended in para 3 of my memorandum dated the 16th October 1895 for Ramasethaiza, clerk of this office may also be sanctioned. His pay was raised from Rs 20 to Rs 25 by Proceedings G No 135 dated the 22nd December 1894, and the charge was met during 1894-95 from the General Savings of the Budget of that year. It was not included in the Budget Estimates for 1895-96 prepared in March 1895 for want of formal sanction to include it in the budget of 1895-96. He is a painstaking and intelligent young man. I therefore request that the increase recommended may be granted.

Sanctioned. 11/12

Not done till put up

4. The want of a mutchi for the office is much felt. I beg that Government may be pleased to sanction one at Rs 12 a month. I believe there is hardly any office in the Province without a mutchi. Full details of the office establishment

Explanatory remarks on the State Funds
Budget Estimates and Proposition Statement
for 1895-96, called for in General Secretary's
no 6938 dated the 18th December 1895
Ed 1874

In the remarks on the Budget Estimates,
objection is taken to the figures for 1894-95
on the ground that they do not represent the
total expenditure sanctioned for that year
under the respective heads to which they relate
In explanation of this it may be stated that
the Budget Statement accompanying the
Proposition Statement is a copy of the

The Budget
is a copy of the
Budget Estimates of the Department forwarded
to the Comptroller for incorporation in the
Civil Budget. The Civil Budget is
sanctioned and issued by Government
in the Financial Department about the
beginning of the official year to which it
relates. The figures for 1894-95 in the Budget
do not therefore include any expenditure
sanctioned after the preparation and
submission of the Budget to Government.
The items of expenditure sanctioned sub-
sequently are shown in the Budget issued
in the Education Department in October 1894.

This has
caused
confusion.

But as the Civil Budget is issued once for all in a year and is not modified notwithstanding any alterations that may be sanctioned by subsequent orders, and as the figures in it are quoted without modification in the Budget Estimates of the following year, the estimates for 1894-95 have been taken at the figures in the Civil Budget for that year. Similarly the estimates for 1895-96 represent only changes sanctioned up to the date of the preparation and submission of the Budget in March 1895. The alterations in expenditure subsequently sanctioned and the additional provision for which sanction is necessary are shown in the Proposition Statement or Supplemental Budget submitted to Government. The following explanatory remarks are submitted on the several points touched upon in the communication under reply.

Receipts

2 The Industrial School referred to is the one at Hassan. It is an aided institution for which Rs 1000 a year is provided in the Budget under the head of Grants in aid of Schools. The net amount realized from the sale of articles made at the school is however credited to Government. In consideration of the receipts

Inspection A Office Establishment

4 An increase of Rs 12 under this head is struck out. It is stated ^{in the memo under reply} that the increase of the pay of two peons from Rs 6 to Rs 7 instead of one peon as explained in the column of remarks in the Budget was sanctioned by Government in Order no 93 dated the 24th October 1894. The remark entered in the Budget against this item of increase does not

apply to the increase of the pay of a peon sanctioned by the Order referred to but to the increase of the pay of another peon from Rs 6 to Rs 7 granted in the month of April 1895 from savings under another head by the Education Secretary and duly communicated to the Comptroller and accepted by him. The peon has since been drawing the increased rate of pay.

It is necessary therefore that the amount of Rs 26,400 which has been sanctioned under the head of Inspection should be increased by Rs 12. The details given in the margin, of the sum of Rs 732 will show that increase

of pay was provided for only one peon and not for two. The reason for not including the additional provision of Rs 732 in the Estimates for 1894-95 has been already explained in the first para.

5 Additional Gunastas at Rs 7 a month — Rs 35
 2 Additional Gunastas at Rs 10 a month — Rs 20
 Increase in Contingent allowance Rs 5
 Increase of pay of a peon — Rs 1
 Rs 61
 or Rs 732 a year

↓ This small sum can be met out of the savings of the 1894-95.

5 B Other Officers The provision made Para 8 for a Headmaster (1st class) at Rs 465 includes Rs 360 being the amount of house-rent allowed to the Headmaster, Shimoga College at the rate of Rs 30 a month. As free quarters have since been provided for him the amount may be struck out.

It is suggested that the contingent charges on salary of the Headmaster be met out of the savings of the 1894-95.

360 Rs 360 has been struck out of the 1894-95.

or Rs 120 a year
The entry of Rs 35 against K. Srinivasanagar
in D class I is correct. He was entertained
on that pay in October 1894. His next in-
crement falls due in November 1896 when he
will draw Rs 38, the excess of Rs 1 which does
not fit into any stage of the pay of the appoint-
ment in D class I, being till then treated
as a personal allowance

7 Pupil Teachers The pay of Rs 15 entered
in the Budget for a Pupil Teacher was the pay
of a Muhammadan teacher in the High School
at Channapatna, who did not belong to any
of the classes of the graded teachers. His pay
was therefore provided in the Budget under the
Pupil Teachers. It has however been
deducted to Rs 10 subsequently and the savings
have been utilised for increasing the pay

Para 10

It was this
done with
a sanction of Rs

of other deserving masters in the same school, the pay of this class of teachers being at present uniformly Rs 10. The provision now required for their pay is therefore Rs 960.

Para 11

8 Pundits and Munshis — The number and pay of pundits and munshis when the Budget Estimates were framed in March 1895 were as follows —

1 st class	1 on 60	monthly 60	yearly 720
2 nd class	(6) 1/37, 3/31 & 2/25	180	2,160

3rd class (22) 1/22, 5/19, 8/17

7/15 + 1/5 (allowance to the Munshi in the Chikballapur High School)

363 4,356

In the 3rd class the minimum pay of the class is provided for 7 Pundits and Munshis, though two of these draw Rs 10 a month. The appointment of a full time Munshi for the Chikballapur High School renders unnecessary the provision of Rs 5 being the allowance for a Kannada master of that school. The changes which have recently occurred, viz, the appointment of a Munshi on Rs 52 in place of one on Rs 60 in the Central College and of an additional Munshi on Rs 21 for the same College sanctioned in Proceedings No C 208-9 dated the 7th June 1895 and the promotion of a Hindustani and a Kannada Munshi

from the 3rd to the 2nd class sanctioned in Proceedings No 176-77 dated the 18th March 1895, have caused the following variations under the head:

1 st class	1 on 52	monthly 52	yearly 624
2 nd class	1/37, 5/31 & 1/25	217	2,604
3 rd class	1/22, 1/21, 4/19, 7/17 and 8/5	358	4,296

The name of Jagaram Venkatachar, additional Kannada Munshi appointed to the Central College, does not appear in the printed schedule as he joined his appointment on the 11th July 1895

Observe that discrepancy in the sanctioned amount - as per printed schedule - as per printed schedule - as per printed schedule

9 Anglo-Vernacular Middle Schools - The number of teachers, viz, 305 and the amount provided for their salaries, namely Rs 45,252 are both correct. But in the details given a teacher on Rs 17 has been left out by oversight. The number and pay of teachers are as follows -

18 on 25	450
2 on 27	54

A statement giving details of Menial servants, House rent and Contingencies is appended as required. The totals are exactly as given in the budget estimates except in the case of the total of monthly contingent allowances which is Rs 1026 ^{annually} and not Rs 1020. A separate application will be made for an increase in the allotment for contingent allowances.

10 IV Instruction (Vernacular) The provision for Vernacular Schools for 1895-96 is less than that for the preceding year, as the charges of 39 Vernacular schools have been transferred to the head Anglo-Vernacular School with which they have been amalgamated and

those of 9 schools have been transferred to the Village School Fund. The number of schools and teachers and the rates of monthly pay drawn by the latter are as follows —

No of schools	Number of teachers and rates of pay	Amounts

works, the works selected for execution are of great urgency. Some of these works were provided for in the last year's Budget. The Tirthahalli Anglo-Vernacular School will, it is feared, shortly be left without a house. It has hitherto been held in a temple building which has been pronounced to be unsafe. The school has been removed for a month or two to a portion of the Dussafar-chand. The jubilee fund provides about Rs 2 for the new building and ^{about 6000 in all} ~~several~~ ^{will be} to be provided by Government. For the Chitaldroog Girls' School an excess amount of Rs 1400 is required. A school house for the Anglo-Vernacular School at Chikballapur has been badly needed for years. The preliminaries for the purchase of a house for the Kolar Girls' School have been completed and Rs 2000 is needed to carry out the purchase. The house in which the Hennegal Anglo-Vernacular School is located is for sale and unless it is purchased the school will be left without a house. The building of the Channarayana High School requires immediate extension at a cost of Rs 1500. The necessity of other works is explained in the column of remarks in the list of building works submitted with the memo of the 16th October 1895. It may also be

mentioned that out of 21 works on the list only 10 have been selected for the current year. If the full amount applied for be sanctioned the works will at once be taken in hand and attempts made to complete most of them before the close of the year. The sum of Rs 2000 applied for on account of minor works is absolutely necessary. There are cases of petty constructions and repairs to about 200 school buildings which it is not possible always to foresee. A list of these works is appended from which it will be seen that about Rs 1485 is required to meet the present demands alone. As there are 6 months of the year still left and further demands will arise within these six months it is requested that not less than Rs 2000 maybe sanctioned for minor works. The usual allotment for

minor works is Rs 2500. If the amount required for minor works is not sanctioned, the amount allowed for other works will have to be drawn upon to meet the cost of minor works which are of a more urgent character.

112 The amount provided in the Budget for Para 15 the Maharani's Girls' School is Rs 35,655 which is the same amount as was provided for 1894-95. The charges of the school, including those of the Widows' classes recently opened, amount to Rs 35,364 as shown below —

Para 15

5 As already stated in para 12 the present annual expenditure of H H the Maharani's Girls' School amounts to Rs 35,364. If a permanent provision of Rs 500 is made in the budget on account of fees the charges for which have been hitherto sanctioned by Special Proceedings the expenditure ^{will} amount to Rs 35,864. The sanctioned provision in the current year's Budget is Rs 37,155 which is Rs 1291 more ^{Rs 1291} than the actual amount required for the school. A separate application will be submitted for the appropriation of the sum under other heads of the Budget under which additional funds are absolutely required.

Memorandum of the Inspector General of Education on the supplemental budget of expenditure on Education from the Provincial Funds for 1895-96 Dated 16 October 1895

I The budget estimates for 1895-96 which were prepared in March 1895 and included all sanctioned charges upto date amounted to Rs 4,85,886. Since the preparation of those estimates the following differences have caused an aggregate decrease of Rs 3264, leaving the total amount sanctioned upto date at Rs 4,82,622. The differences are as follow -

✓ I A writer on Rs 20 was transferred from the Inspector General's Office to the office of the General Secretary from 1st July 1895 by Order No. 1731-2 dated 31st July 1895. This transfer has caused a decrease under 'Direction' of Rs 240.

II The post of Superintendent of Girls' School together with his establishment was abolished from 1st July 1895 by Order No. C 200-4 dated 3rd May 1895. This abolition has caused a saving of Rs 2820.

III Under Instruction English (1) there was a decrease of Rs 8 a month by the employment of Pandit G. Krishnachari on Rs 52 a month in

the Central College in place of Ramasasha Sastri deceased who was drawing Rs 60 a month, (2) an Assistant Kannada Munshi on Rs 21 was sanctioned for the Central College by Order No 6208-9 dated 7th June 1895, (3) the Hindustani Munshi of the Maharaja's College was promoted from Rs 25 to Rs 31 by Order No 176-77 dated 18th March 1895, (4) the Kannada Munshi of the Maharaja's College was also promoted from Rs 25 to 31 by Order No 176-77 dated 18th March 1895. The total increase under the head of Instruction English came to Rs $25 \times 12 = 300$

IV Under Instruction Vernacular there was an increase of Rs 30 a month caused by taking over the Banjarwad Aided Girls' School and making it a Government Institution, the monthly grant of Rs 30 being stopped (Order C No 229-30 of the 26th June 1895)

V Under Grants-in-aid there is a decrease of Rs 864 a year which was caused by the stopping of the monthly grant of Rs 30 in aid of the Banjarwad Girls' School, the reduction of the grant of the Hindustani School at Ronur in Chintamani Taluk from Rs 12 to 10, and the abolition of the Sadhu Sadana at Melkote which was getting a monthly grant of Rs 40

2 The following increases in the expenditure for 1895-96 are submitted for sanction

in the proposition statement accompanying this memorandum

3 Under Direction an increase of Rs 5 to the pay of Ramaseshayya, Clerk of the Inspector General's office who is now getting Rs 20 a month is provided. He is deserving of the increase. A Matchee of Rs 12 is badly wanted for the Inspector General's office and is provided for.

4 Under Inspection an increase of Rs 2 a month to the present pay of Rs 10 of the second gunasta in the office of each of the Assistant Deputy Inspectors of Hindustani Schools is provided. An increase of Rs 5 from Rs 15 to 20 is provided for the writer of the Assistant Deputy Inspector of Kannada Schools, Bangalore and Kolar Districts, who has hard and important work to do. House rent of Rs 8 a month is required for the office of the Deputy Inspector of Schools, Hassan and Kadur. The office is at present located in the Hassan High School. The Headmaster of the High School has been repeatedly writing for the removal of the office. The Deputy Commissioner is unable to provide room in any public building in Hassan for the Deputy Inspector's office. Under these circumstances it is necessary to rent a house until two rooms now occupied by the Hassan

municipality in the Hassan Taluk Kannada School are vacated. The municipality at present finds itself unable to vacate the rooms.

5 Under Instruction English an additional teacher on Rs 50 in Grade 6 Class III is provided for the Shimoga College. The Headmaster has been applying year after year for an additional master. The present staff is overworked and if one of the masters is ill work greatly suffers. An additional master is required. The Headmasters of the Chikballapur and Channarayana High Schools are paid only Rs 60 each and their names are not included in Grade 6 Class III as they have not taken the B.A. Degree. The Headmaster of Chikballapur has passed the Language Branch of the B.A. Examination. The Headmaster of Channarayana has been through the B.A. course but not passed in any Branch of the B.A. Examination. They are both however experienced teachers, and the Headmaster of the Chikballapur High School produced brilliant results at the last matriculation, having passed 8 out of 10, one of the successful men being second in rank in the First Class in the whole Presidency. These results which were far superior to those of any District High School in Mysore or those of the Shimoga

College, reflect great credit upon the Headmaster's management. The Channarayana High School passed 3 out of 6 in the last Matriculation Examination. The High Schools of Chikmagalur and Chitaldhoog passed only 2, and those at Hassan and Kolar passed 3. Under these circumstances it seems to me nothing but fair that the headmasters of the Chikballapur and Channarayana High Schools should be paid at least Rs 75 a month. They need not be graded until they take the degree. For B P Lakshminarayana, Assistant Master, Chikballapur High School who is in charge of the III Form and has done very good work a personal allowance of Rs 5 is proposed. He is now in D Class II (Rs 15 rising to 30) and is in receipt of Rs 30. Until he is promoted to D Class II he may be given a personal allowance of Rs 5. Masters of the III Form in other schools get about Rs 50 a month. A small increase of Rs 2 is provided for V Venka-
 tachar a Pupil Teacher of the Chikballapur High School who is now getting Rs 10 and who has done very good work. For a similar reason an increase of Rs 5 is provided for M K Shama Rao and of Rs 2 for H Anantaramayya both of whom are pupil teachers of the Hassan High School.

An increase of Rs 6 from Rs 15 to 21 in class III of Pandits is provided for Krishnamachar, Sanskrit Pandit of the Shimoga College Pandit Krishnamachar is a very superior man and as he has to do F.A. work he deserves more than Rs 15 which is the lowest pay of the class for High School munsies Hindustani munsies are required for the Chikballapur and Channapatna High Schools on Rs 15 in class III of Pandits and munsies (Rs 15 rising to 25) A drill and gymnastic instructor has been sanctioned for the Maharaja's College on Rs 12 and the Shimoga College and five District High Schools on Rs 8 There are no instructors in the Channapatna and Chikballapur High Schools Qualified instructors cannot be obtained under Rs 15 a month All efforts to obtain them have failed for the last two years I have therefore provided an increase of the instructors' pay to Rs 15 in the Maharaja's College ^{Shimoga College} as well as the five District High Schools and new instructors on Rs 15 for each of the High Schools at Channapatna and Chikballapur Certified teacher of drill and gymnastics will be employed if the higher rate of pay is sanctioned Among menial servants an increase of Rs 2 to the sweeper of the Tumkur High School from Rs 3 to 5,

and a similar increase to the scavenger of the Kolar High School from Rs 3 to 5 are provided. An increase of 1 Re from Rs 5 to 6 is also provided for the peon of the Chikballapur High School. A scavenger on Rs 3 is required for the Tumkur High School. Altogether the increase of expenditure on menial servants is Rs 8 a month.

Anglo-Vernacular Schools— The people of Mahur are eagerly desirous of the establishment of a Government Anglo-Vernacular School. Hitherto there has been a school maintained by the London Mission which receives a monthly grant of Rs 30, but this school has become unpopular and has gone down very much, and the people have established a school of their own from which religious instruction is excluded. This school the people want Government to take over. It is well attended. The London Mission desire to give up their school and the Government grant. Under these circumstances it becomes necessary to have a complete Government Anglo-Vernacular School at Mahur which will cost Rs 9.3 a month. The grant of Rs 30 now paid to the mission school will be saved and about Rs 20 will be recovered from fees. The remaining 4.3 Rs will be a new expenditure.

to be met from the Provincial Funds. There is no Government Taluk Kannada School at present at Maker. The same mission are desirous of giving up their Anglo-Vernacular School at Anekal in aid of which they receive Rs 30 a month. There is at Anekal a large and flourishing Government Kannada School. If two English masters are appointed in this Government School and two more Kanarese masters are employed for the increased attendance that may be expected when the mission school is closed the extra cost to Government will be about Rs 50, against which expenditure can be set off Rs 30 of grant saved and about Rs 20 monthly collected as fees. English teachers are also required for Belamangla, Bagamangla, Heggaddevankote, Paragada, Hosadruz, Jagalur and Molakalmuru at a monthly cost of Rs 120. Some of the municipalities concerned have signified their intention of contributing a part of the cost others have not yet been communicated with. Before the English classes are opened all the municipalities concerned will be asked to make a contribution equal to one-fourth the cost of English instruction, and their replies will be communicated to Government. provision required for Anglo-Vernacular Schools is herewith appended for reference. The new hands and increases required for the existing Anglo-Vernacular Schools will cost Rs 225 a month or Rs 2700 a year. The details are given in the Proposition Statement^x sent up with this Memo. The new hands are required for meeting the wants of increased attendance. The increases proposed are for teachers who have deserved them by length of service and successful work.

6 Under Instruction Vernacular Rs 131 a month or Rs 1572 a year is provided for the opening of eleven new schools in Taluk Station, of which two are Parish Schools and three Hindustani Schools for boys and three Kannada Schools and three Hindustani Schools for girls. A list^x of these schools is appended. ~~After having been made a sub Taluk, 2 schools in other existing 100 Rs after have been brought upon the Provincial Funds Budget.~~ The cost of new hands and increases in

Vernacular Schools comes to Rs 156 for increases, Rs 192 for additional teachers, Rs 53 for additional manual servants, total Rs 401 a month or Rs 4812 a year. The details are given in the proposition statement^x and every recommendation has received the most careful consideration. For house rent of Vernacular Schools Rs 200 more is provided.

B

in addition to Rs 4373 sanctioned in last year's budget under Contingencies and cart hire an additional sum of Rs 300 is provided over and above the provision of Rs 2,807 in last year's budget. This addition includes a provision of Rs 120 for the cart hire of a Hindu-stane Girls' School. For Buildings in accordance with the usual custom a nominal sum of Rs 10,000 was provided in the budget estimates furnished to the Comptroller in March last. This amount should be fixed at Rs 20,000 in future estimates. The amounts sanctioned during the last five years from 1890-91 to 1894-95 for buildings of Taluk Schools were respectively, Rs 15,000, Rs 15,000, Rs 17,200, Rs 17,388, and Rs 25,000. For the current year a sum of Rs 32,484 is provided. The schools all over the Province are rapidly growing in number and attendance and it is becoming more and more difficult every year to meet the demands for the increased accommodation required. With great care and selection from the urgent extensions and new buildings that are required the appended list^x showing a total cost of Rs 32,484 has been prepared. From this list it will be seen that the incomplete works of last year require an

appropriation this year of Rs 10,180. The works sanctioned since the 1st July upto date amount to Rs 1,897. The probable appropriations required for new works urgently required amount to Rs 18,407. The circumstances stated in the column of remarks against each projected work show the necessity for the estimated appropriations. The minor works and repairs are put down at Rs 2,000 though the amount usually provided is Rs 2,500, as a few works have already been sanctioned.

X.
 $D \quad D' \times D^2$ 7 Under Grants-in-aid Rs 1884 is required for new grants and Rs 1,320 for increases to existing grants. The lists^X appended give the details. Under Building Grants a sum of Rs 6,350 is required. The nominal provision under this head is Rs 5,000 which is in some years not utilised in full, and in other years is exceeded. This year a sum of Rs 3,500 has already been sanctioned by Order No. 2241[✓] dated 12th August 1895 in aid of the Convent School building at Mysore. The other grants recommended amount altogether to Rs 2,850. Of these two require to be specially mentioned. The Wesleyan Mission have spent during the last year Rs 1270 on scientific apparatus and

a laboratory for the High School in Mysore, and the laboratory is still incomplete. A grant of Rs 400 which will amount to about one-fourth of the total cost is provided. In the same school it is proposed to form a library of reference books at a cost of over 1,000 Rs. A grant of Rs 200 in aid of this library is recommended. The last two grants have been included under Building Grants as there is no heading in the present budget for Scientific apparatus and Reference Books

8 Under the Book Department, Rs 10 a month is provided for increases to deserving clerks of the Book Depot who have worked well for many years without any increase. Rs 5 is provided for an increase of pay from Rs 30 to 35 to A. Vargundia who has been 21 years in the service and has had no promotion since 1887. Similarly Rs 5 is provided as an increase to Abbas Saadu who now gets Rs 25, has been in the service for 21 years and has had no promotion since 1889. Rs 3 is provided as an increase to the pay of Chinnaswamy Pillay, Despatching Clerk who gets now only Rs 7.

9 In the Oriental Library Pandita Ratnam Rangachar who has been doing excellent work has been getting only Rs 50. Mr. Chentsala has intended to give him good promotion which he

richly deserves I have provided Rs 10 as an increase to his pay during 1895-96 I would propose that his pay should rise from Rs 50 to 80 by annual increments of Rs 10, the first increment being given from 1st July 1895. The Curator reports that it is absolutely necessary to make permanent the second travelling Pandit on Rs 25 (Shrinivasachar) who has been retained in the service till December 1895 by Order No 221-22 dated 26 June 1895. He also wants an additional peon on Rs 6 and increases to the existing peons of Rs 3. He wants Rs 100 in addition to the Rs 400 provided last year for the travelling allowances of himself and the Pandits. He also proposes an addition of Rs 600 to the fees of copyists which were last year fixed at Rs 800 ^{Rs 1200 may be sanctioned}. For furniture he wants as a special case Rs 400 in place of the usual provision of Rs 250. He ordered new almirahs in anticipation of sanction and they have to be paid for, so that Rs 400 is necessary. He wants Rs 1000 for Devanagari and Telugu type & press furniture in connection with the printing work of the library and Rs 1200 for printing paper to be used during 1895-96. The pay of Pandit Ramasastri which was temporarily sanctioned from the general savings by Order No 130-31 dated 15 Dec 1894 has been included in the regular establishment charges at the Curator's request.

The Curator's letter No 150 dated 10 April 1895 asking for these increases is herewith put up for reference to Under the heading General there is a small increase of Rs 180 provided for scholarships at an aggregate cost of Rs 15 a month provided for the advanced girls of the Shumoga Girls' School to induce them to stay till they complete their course upto the Lower Secondary Examination. The Government Girls' School and the Arya Balika Pathasala at Bangalore receive each Rs 22 a month for the same purpose.

11 The total increased expenditure under all heads for which sanction is asked is Rs 51,200. This sum includes an increase of Rs 22,484 under the heading of buildings alone. The sum of 51,200 added to the amount sanctioned upto date gives a grand total of Rs 53,382. An abstract statement showing the increases proposed under the budget heads is attached to this Memorandum. A proportion statement from details of all the additional expenditure provided is herewith forwarded.

Rs 2000 of the increase is due to the provision for the purchase of books, it being raised from Rs 8000 to Rs 10000 by G.O. No 93 of 24th Oct/94 and the balance of Rs 420 is on account of the increments of the Translator and the Curator Govt Book Depot and the increase in the pay of the Manager of the Book Depot from Rs 55 to Rs 60 for which provision was sanctioned by order No 93 of 24th Oct/94

Oriental Library

The increase of Rs 1140 is caused by the increments earned by the Curator and the Librarian

submits a memo explain-
ing certain discrepancies
pointed out in letter
N-1895 of 18 Dec-195 in
regard to the Budget Estimate of the
Education Dept - State
and schools sanctioned
to certain charges
provided for in the Budget

I enclose

Under I Question, provision
should have been made
for the moneys of Rs 5
to Mr Ramasastha
according to the order

No 135 dated 22 12 94
This charge will ^{now} be ^{subsidy} met
~~out of savings under the~~
~~head and the same~~

Mr. Mr. Whatha is requested
to state how and by
whom the much work
has heretofore been per-
formed

3 Under this head Inspection of Office
an increase of Rs 12 provided
for one of the persons now
attached and as its necessity
was not clearly explained
It was reported that
the pay of one of the persons
was raised from 6 to 7
Rs as per order of
April 1895. This ^{item will} ~~amount~~
^{also be ruled} ~~will be met out of savings~~
~~under this head and~~
~~the necessary provision made~~
in the next Budget

4 The House rent Rs 360 Instruction English
⁵⁵⁸⁰
should not have been included in Rs 450 provided for other officers
under this head, as the
salary of the Head Clerk,
who has now been
provided with five quarters
The amount already disbursed
under this head is Rs 180.
The balance, Rs 180, will ^{now be struck out of the Budget} ~~be regarded as not required~~

30 The correct amount that ought to have been entered in the Budget to meet the salaries of the 15 Teachers in D Class I, as ~~now~~ ascertained, is Rs 7476 and not Rs 7428, as the ^{proper} pay of the Asst Master in the (School of D) was Rs 42 per Rs 38 ~~per~~ The difference, Rs 48 12: 48, will be allowed. The increments of pay which accrued to some of the teachers in D Class II, since the date of preparation of the Budget, have increased the ~~amount~~ ^{total} by Rs 120 - The provision will accordingly be raised from Rs 5928 to Rs 6048 as per details given hereunder -

6 Under this head 37 Pupil Teachers
 the amount proposed was
 Rs 1020, i.e. for 1 Teacher
 and Rs 15 for 27 Teachers on
 Rs 10 per month; but it is now
 reported that the pay of
 a Hindustani Teacher on
 Rs 15 was reduced to Rs 10, and the amount saved
~~and the same for them~~ otherwise utilized
~~affected~~ utilized for increasing
~~the pay of other deserving~~
~~teachers~~ The actual provision
 now required, for the 8
 pupil Teachers and Rs 1020
 is only Rs 960 - The authority
 for the distribution of the
 amount saved, Rs 60, should
 be requested.

H J BILABHA Esq

Secretary to the Govt of Mysore
INSPECTOR C
Education Department
Mysore

To

The Secretary to the Government of Mysore
in the General Revenue Department,
Bangalore

With reference to Government Order No. 8890-1
29 247,
dated the 31st January 1896 I have the honour
to state that the provision originally sanctioned
for the salaries of Pandits and Munshis was
Rs 7140 and not Rs 8160 as stated in para 7
of the order under reference. The latter sum
includes Rs 1020 provided for Pupil Teachers.
The amount now sanctioned for Pandits and
Munshis is Rs 7524. There are thus no savings
under this head but an increase of expendi-
ture amounting to Rs 384 (Rs 7524 - 7140) caused
by the charges sanctioned in the orders referred
to in para 8 of my memorandum dated the
18th December 1895.

2 In para 12 of the Order under refer-
ence Rs 1164 is shown as savings under grants
in-aid. I beg to point out that the savings
available for expenditure under this head
is Rs 804 only. The difference namely Rs 360

To

The Secretary to the Government of Mysore
in the General and Revenue Department,
Bangalore.

In para 7 of Govt order no 8890,
dated 31/1/96, 8160Rs is given.
As the sanctioned charges under
Parents & members, Mr Bhabha
points out that this amount
includes a sum of Rs 1020
for pupil-teachers & hence
instead of anticipated saving
of 536 Rs there will be an
increase of expenditure of
384 Rs. The total savings
available being only 2205
as noted and by Mr Bhabha
the sum of 2500 Rs may be
met from building allotment.
Mr Bhabha suggests a
to alterations in the details
of the allotments may be
approved
